## **B. DIRECTION TO THE PARTY TENDERING**

- a. Every tenderer is expected before quoting his rates to inspect site of work so that he will have personal knowledge of various items of work so as to enable him to determine the rates for various items as assessed to his satisfaction.
- b. The tenderers should quote specific rates for each item in the schedule and the rate should be in rupees and paise. The schedule accompanying the tender should be written legibly and free of corrections. Where unavoidable, the corrections should be made by scoring out and then rewriting with initials as authentication. The rates should be written both in words and figures.
- c. The tenderer should affix his signature at the end of each page of this tender and attach other documents thereto.
- d. The contractor may construct his shed for keeping safe the materials that may be issued by the Corporation for the execution of work along with his own materials. Necessary space required for the construction of shed will be allotted by the Corporation.

## **D. GENERAL CONDITIONS**

1. The full and complete particulars of the work will be given to the contractors soon after the agreement is executed.
2. The contractor shall not assign or sub-contract the contract or any part thereof without the prior written approval of the Corporation.
3. The contractor or his authorized agent and his workers will be permitted to enter into the complex for carrying out the work so long as the agreement is existing.
4. The work should be completed within the prescribed time limit. The contractor shall be permitted to carry out the work as long as the agreement is alive. The work should not be discontinued for any reason.
5. At the time of execution of work, the contractor himself or his authorized agent should be present on the spot for supervising the work to ensure proper execution as per the terms and conditions of the agreement.
6. The contractor is fully responsible for, carrying out the work to the direction of the supervisor of the Corporation according to the contract, if any of his labourers goes beyond the limit and quarrels, or do any other misdeeds within the premises of the Corporation, the contract will be terminated without any notice therefore.

7. The contractor should return the materials received from the corporation intact after the work is completed. If any materials are found missing, the cost of the same will be deducted from the bill payable to him.
8. The Project Manager or any officers of the Tamil Nadu Salt Corporation Ltd. duly authorized may put an end to this agreement at his option at any time and in the case of bad work, actions will be initiated for the termination of the contractor.
9. The quantity of work executed shall be measured / weighed and payment made at suitable intervals (once in month) on completion of work under this agreement.
10. If there is slow progress, suspension of work or subletting the work for a portion thereof the work value of which excess Rs.2,500/- shall be terminated by giving 10 days notice.
11. The Project Manager. or any officer authorized may fine the contractor by not more than 5% of the value of the completed work for slow progress of work. However the Project Manager., in his absolute discretion, may waive or modify the fine imposed.
12. If the value of the work executed exceeds, the agreement value due to unavoidable circumstances, if any, a supplemental agreement will be executed and the excess value paid as per the agreement.
13.
  - a) Additional Security Deposit over and above the initial SD of 5% as applicable shall be collected from the contractor to whom the work is awarded according to the value of work in case production increases beyond the estimated production for the group to be assessed with every monthly bill.
  - b) The EMD/SD remitted by DD/Cash receipt as per the following details will not be returned until the work is completed in all respects.

The Project Manager may forfeit the above EMD/FSD for non-fulfillment of the terms and conditions of this agreement. However he may, in his absolute discretion, waive or modify the forfeiture so levied.
14.
  - a) A deduction of 1% of the value of work done as IT and credited to the Income tax Department.

- b) PAN is compulsorily required for payment of first bill or part thereof. Therefore, if Form 16 was filed at the time of tendering, PAN should be provided with one photocopy before submission of first bill by the tenderer.
- 15. a) The extra expenditure if any, over the above tendered amount, necessitated to be incurred on account of failure of the contractor to execute the work as per the terms and conditions shall be recovered from him.
    - b) Legal action may be initiated to recover the excess expenditure required to be incurred by the Corporation on account of such non-compliance of the lowest tenderer besides forfeiture of the EMD/SD.
  - 16. The decision of the Project Manager or any officers of Tamil Nadu salt Corporation Ltd. duly authorized on his behalf as to the rate of progress and quality of work shall be final and binding.
  - 17. The Contractor is responsible for complying with the provision of labour amenities in respect of labourers engaged by him.
  - 18. The contractors are fully responsible to comply with the relevant Rules and Acts pertaining to Labour.
  - 19. The Contractor should not stop the work in the event of any strike by other section workers or by his workers. He should continue his work and any such stoppage of work will be liable for penalty and loss, which will be collected from the Contractor.
  - 20. The specified quantum of work will be awarded to the lowest tenderer provided he is considered capable. If necessary, the lowest bid tenderer should undertake additional work of the same nature on payment of additional EMD and after executing necessary agreement.
  - 21. If the lowest tenderer is not forthcoming to execute the work, his tender deposit will be forfeited and he shall be reported for the authorities for contractual failure and blacklisting.
  - 22. The Corporation reserves the right to cancel any or all tenders without assigning any reasons therefor.
  - 23. The Corporation reserves the right to entrust the work to one or more Signature of the tenderer contractors according to requirement as decided by the Corporation.
  - 24. Work should be executed adhering to the conditions stipulated above and the general terms and conditions stipulated in the agreement executed.

25. The Managing Director reserves the right to reject any or all the tenders without assigning any reasons therefore and he has the right to split up the work and award to two or more tenderers. The decision of the Corporation in this regard will be final and binding.

**26. DISPUTES**

- a) All matters relating to any dispute which may arise during the execution of the contract shall be referred to arbitration or to an arbitrator to be mutually agreed upon between the successful tenderer and the Tamil Nadu Salt Corporation Ltd. And in case of failure to agree the dispute shall be referred to two arbitrators, one to be appointed by the Tamil Nadu Salt Corporation Ltd. and the other by the contractors. The two arbitrators shall appoint an umpire. The decision of the arbitrator in the case of the former and that of the umpire in the case of latter shall be final and conclusive and binding on both of parties. The provisions of the Indian Arbitration Act, 1940 (Act 10 of 1940) and the Rules made there under and any statutory modification thereof shall be deemed to form part of this contract.
- b) The venue of such arbitration or any litigation shall be at Chennai city only. Arbitration suits or any other claims filed in any Court of law outside Chennai city shall not be binding on Tamil Nadu Salt Corporation Limited.

**E. SPECIAL CONDITIONS**

1. The work should be commenced immediately on receipt of the work order and carried out as per the schedule prescribed.
2. The contractor shall maintain bunds, supply channels, bittern channels, roads, centralized platforms etc., within crystallizer layout and that if any of these are damaged or found defective, at any time, they shall be repaired at his own cost.
3. The contractor must have possession of all machineries for salt production activities like raking & scrapping equipment, JCBs, hitchi, tractors / tippers etc.,
4. The production should not get affected for non-availability of equipment / break down of the machineries
5. To control the quality of salt, samples will be drawn from scrapped salt / Lorries during transportation and also from the heaps then and there and analyzed. The contractor shall carry out necessary corrective measures depending upon the results of analysis. Composite samples will be collected and also analysed. If the salt doesn't conform the specification, Project Manager has right to impose fine on the contractors.

6. Scrapped salt should be conveyed from respective crystallizers to central platform within 3 days of scrapping
7. Heaping of salt in central platform must be made such that rain water should not penetrate into it. The contractor is fully responsible to safe guard the heaps, any delay / fail in doing it will attract imposition of fine based on the report of TNSC officials
8. If transportation of salt is delayed by the contractor and loss is caused to the scrapped salt inside the crystallizers due to rains, the loss will be recovered from the contractor's bills at the rate of Rs.150/- (Rupees One Hundred and fifty only) (direct cost) per tonne. The loss calculated for this purpose by the Corporation shall be final.
9. If any delay is observed during the work, the Corporation shall make alternative arrangements for carrying out and completing the operations in time. In such cases, the actual expenditure incurred will be recovered from the contractor's bill besides imposition of penalty as per the terms and conditions.
10. It should also be ensured that contamination of earth is avoided to minimize insoluble in salt, while carrying outworks.

**11. SECURITY DEPOSIT(SD):**

A deduction of 5% of the value of work done by the contractor from every running in respect of the contract shall be made as security Deposit.

The security deposit will be forfeited, if the successful tenderer failed to despatch the consignments as per the schedule prescribed.

**12. PAYMENT TERMS:**

Bill will be prepared once in a month based on quantity conveyed from crystallizer area to central platform. Gate pass will be issued to each & every trips after weighing the quantity in Weigh Bridge.

The contractor shall be liable for all losses, damages suffered by the Corporation due to the negligence of the contractor in the performance of any service under the contractor.

**13. Other Conditions:**

- (i) Contractor should have license under the CL (R&A) Act and should have code no under EPF act & ESI Act.
- (ii) Contractor should furnish labour deployment plan for carrying out the work allotted to him without any backlog. For the work for which the quote is made, the tenderer has to give his labour deployment with time schedule indicating the minimum and maximum turn out per day.
- (iii) The contractor should not engage any child labour or old aged people and if engaged action will be taken as per the Labour Act.
- (iv) Schedule will be prescribed for providing periodical payments to the workers to enable TNSC to monitor EPF payments of the contractor or to deduct and pay the amount to EPF by TNSC.
- (v) **Logistics arrangement:** The contractor shall make all arrangements on his own mobilizing the workers to the work spot and for their stay. Corporation will provide necessary space for construction his own tent or temporary shelter for the stay of workers, if required.

14. The Corporation has nothing to do with the contract workers and it is for the contractors to employ his men of his choice conforming to labour law e.g. child labour (R&A) Act or Sec. 67 of the Factories Act. He should also follow the states policy of giving preference to the local people in the matter of employment.

15. The contractor alone is liable for implementation of all the labour laws and the Corporation is not responsible for the employees of the contractor. The Corporation will have dealings only with the contractor with in the provisions of this agreement.

**16. Revision of tendered rate:**

**The tendered rate will be in acceptance for the period of contract or up to the extended period of contract. No revision/modification in the tendered rate will be allowed during the period of contract or the extended period.**
